I tried to speak to Co. S. Watson before he can take my Food away from the block Fox, that he respond with threats when I'm trying to explain to him the reason he can not take my Ramadan Food away, But he wouldn't listen but to him self. He dump all the ice that I keep for the milks not to go bad that I end up throwing them away and the rest of the Food that I couldn't keep with out ice -

On August 13, 2012, At approx 8:35 AM Co. S. Watson again estormed to the chawhall been loud and disrespectful trying to restrict my rights to practice a particular aspect of my religion. When he has no facts againe - In islam, Ramadan could not be done everyday, you don't have to fast everyday if you don't want to. Maybe I'm sick that I need to take medication that allowed Food withted ever 4 hours or two. I'm from the Sudan and islam is my religion and the Chapel or Co. S. Watson do not know anything about Islam but to disrespect. I would to put this issue on a Grievance Form for the reason states because it seem the Co. S. Watson hates muslims and discriminate against by abusing his power in position of authority -

I spoke to L.T. Masser and L.T. Berwick this Day about having a Grievance form that they tried to distract me from taking this issue further saying that I have no ground for Grievance Form. This is a violation of my civil rights and I want further review even throw the Point of the laws.

the cell. While doing so, I try to speak to C.O. S. Watson before he can take my food from the block. He responded with threats when I'm trying to explain to him why he could not take my Ramadan food. And he did what he had to do. He called back to the Office and I find all my food in the floor mix with the rest of the trash.

On August 14, 2012, make correction on the date on the request slip yesterday. Approx 8:30 C.O. S. Watson with harassment of inmate came to the chow hall been disrespectful and loud trying to restrict my right to practice a particular aspect of my religion when he has no facts. Not know what he's talking about. I was in a bad mood that I decide not to fast that day. Their 40 days of fasting, Ten day to recover. That's the fact of Ramadan. People get sick sometimes they can take Days off or not do it at all. C.O. S. Watson seems to enjoy been loud and disrespectful, that seems he like to discriminate.

L.T. Berwick and L.T. Massen took C.O. Watson word and the Chapel that I should be taking of the Ramadan list, when all he knows that I was fasting and I want to chow. Fasting is not a force! Islam don't force anyone to fast, but it seems that these Officer want me and force me to fast when I'm not feeling good.

The Chapel is a Christian that he doesn't know all the rules of Islam. And I don't expect him to know when he let inmates who Christian to be on Ramadan list when they don't even

to pray or knows how to pray. I am an Arabic speaker, read and write Arabic and family member who are muslims. That's a fact.

This is a civil rights violation and I want further investigation and review of these Officers suppression of State and religion, this is a State Prison, these Officers works for the State, my religion shouldn't be their problem.

The Islamic Center of American would send me some prayers book and rules that I give to the chapel for future issues.
